PLEASE READ CAREFULLY

Utility bills are mailed out on the first of each month and are due by the fifteenth (15th) of each month. A 10% late charge is added on the 16th of each month. Cut-offs are done the first business day after the twenty-fifth (25th) of the month. If your utilities are disconnected due to non-payment of your bill, all past due bills, late fees, and a non-payment fee of \$50.00 must be paid before service can be restored. The Town of Stanley will not reconnect service after 5:00pm.

The Town of Stanley will not tolerate the theft of, or tampering with, the town's utility system. Use of town utilities after disconnection by the city, whether reconnected by the customer or anyone other than an authorized employee of the town, shall constitute theft of said utility. Only authorized employees of the Town of Stanley have the authority to make adjustments and/or repairs to the town's utilities. Anyone other than an authorized town employee found so doing will be charged with illegal tampering of town utilities. This includes any part of the utility service belonging to the Town of Stanley. If any part of the utility system is tampered with, you will be charged for estimated gallons used and a tampering fee, plus all damages to the system and/or equipment. Violators will also be charged under North Carolina Law General Statute 14-151 covering tampering, which carries a fine of \$500.00 and/or up to two years imprisonment. The civil penalty for the theft of, or tampering with, town utilities is as follows: First offense \$300.00 Second offense \$500.00 Third offense: The denial of town utility service each day that such violation continues shall constitute a separate and distinct offense.
