**We offer: Ballet, Pointe, Jazz, Tap, Hip Hop, Contemporary, Gymnastics & Adult Classes**

Our mission is to provide quality dance & gymnastic instruction from crawling to high school graduation. We will provide a stress-free, fun, safe environment for dancers and gymnasts. Children and teens will learn the discipline and focus it takes to be successful in life, while having fun dancing. Our educated and certified staff will condition their muscles and teach them proper technique in order to fulfill their true potential. We hold ourselves to a higher standard. We only hire degreed and certified teachers. Our students' best interests will always come first.

The Summer Camps are a great place to start. They include many different dance styles and gymnastics so the student can find their place with us, in The Modern School of Ballet family.
