Dear Local Business Owner/Operator and Friend

REF: COVID-19 Impact on the Stanley Community

At the request of Mayor Denton and the Town Council, I am writing today to make contact with you regarding the COVID-19 situation and provide you with some helpful and important information. First, thank you for your investment in the Stanley Community. We are all experiencing unprecedented interruption in our normal operations. Small businesses have been hit the hardest. I wanted to make sure we did everything possible to ensure you have the information and resources you need. I have enclosed a copy of information regarding the NC COVID-19 Rapid Recovery Loan Program, the Unemployment Insurance System, and the Federal Disaster Loan Program and the CARES Act.

I will also post this information on our website so you can access the information electronically for easier access. You can access this letter and information on our website at www.townofstanley.org.

We don't know how long this situation will last or what the impact will be on our community in the future. We want you to know that the Town of Stanley and its staff members are here for you. If we don't have the answer to your question or problem, we will do everything we can to point you in the right direction. Please don't hesitate to contact us. I have provided the email address for the Town Hall staff members and our department heads. We continue to stay in touch with Gaston County, the State of North Carolina, and the Federal government about the State of Emergency and when we will begin to reopen for businesses.

This too shall soon pass and we will return to some sense of normalcy in our Community. Until then, please know we are here to help in any way we can.

Warmest Regards

Heath R. Jenkins, Town Manager
Town of Stanley
